Declaration & Terms of Care

All Patients are responsible for the cost of their care. If there are any issues with collecting payment from your nominated Insurance Company you will be liable for the financial shortfall. You will remain liable for all excesses due as stipulated in your health care plan.

- I have read, understood, and agree to this registration form and the Terms set out.
- To the best of my knowledge, the information I have provided on this Registration Form is accurate and complete.
- I consent to clinic related information being used as part of my treatment episode.
- I consent to being sent appointment text reminders.
- I consent to my details being saved securely online.
- We may share your personal data with any person or organisation (or their agent) who may be responsible for meeting the costs of your care (e.g. your insurer) to the extent necessary to collect payment.
- We will hold your data in line with current GDPR guidelines and your information will not be shared with third party organisations.

Please sign below if you are in agreement with the above and thereby give your consent for treatment to take place.

Hampshire Wellbeing Centre Operational Update

Patient Protocol

Covid-19 Pandemic April 2022

Thank you for booking an appointment at the Hampshire Wellbeing Centre. **Prior to your appointment** please take a read of the below information so you are aware of how our facility is currently operating.

Following a review of the government guidance, and the withdrawal of free testing for the general population, our policies have adapted accordingly. Many elderly and vulnerable clients visit our facility, and our team members have numerous patient contacts each day, so our practitioners will continue to wear PPE from April 2022.

If you do not have access to COVID-19 testing, we ask that if you have symptoms of a respiratory infection, such as COVID-19, including a high temperature, or if you do not feel well enough to go to work or carry out normal activities, please do not attend your appointment. We would like to welcome you back at a time when you no longer feel unwell. Our team are happy to discuss this with you, so please do contact us if you are unsure.

When you arrive for your appointment, please check in at our reception desk before taking a seat in our waiting room. If the waiting room is busy we invite you to wait outside, or in your car, and will let you know when your clinician is ready. We kindly ask that you wear a face covering upon entering the clinic, respect social distancing where possible, and sanitise your hands. This is to protect our practitioners and the vulnerable members of our community that we interact with.

Thank you for your understanding and co-operation.

Dan Young
Clinical Lead & Centre Manager
